Click the Logo to find out more about each member.

What we offer ?

A **virtual networking meetup event** between the MSCA-PF candidates and potential Host PI supervisors.

The selected candidates shall benefit from a **"Master Class", an intensive 2-days online training**, to boost their knowledge and ability to prepare successful MSCA-PF proposals.

And more…! At stake is a **on-site immersion program** (travel and accommodation included) to meet-up with your potential Host PI in the Host Institution of your choice!

The selected candidates shall **benefit from the local network** of the Host PI, and if interested, can **benefit from cooperation secondments** with **non-academic partners** or **international academic partners of Ulysseus**.

Eligibility criteria

The MSCA-PF call is open to candidates of any nationality.

The MSCA-PF candidates must comply with the following rules:

- They must be in possession of a **doctoral degree** at the date of the call deadline (Sept. 11th, 2024).
- They must have a **maximum of 8 years full-time equivalent experience in research**, measured from the date of doctoral degree awarding.
- They must be currently or have been (in the last 3 years) **employed / enrolled by one of the Ulysseus Partners** (More details → HERE) or **associated partners** (More details → HERE).
- They <u>must not have</u> resided or carried out their main activity (work, studies, etc.) in the Host Institution's country for more than 12 months in the 36 months immediately preceding the call deadline.
- Only one proposal per candidate is eligible.
- Candidates who have applied to the MSCA-PF 2023 Call and received an evaluation below 70% are not eligible for an application in 2024.

How to Apply ?

If you meet the eligibility criteria described above, please send us your information, a **short but attractive description of your project**, and the **Host Institution of choice.** If you don't have a clear project in mind, you can still register your information and send us your CV.
